MEMORANDUM

TO: Dallin Jensen  
FROM: Robert F. Guy  
SUBJECT: Civil No. 3444

As requested I checked the file on Civil #3444 and it is very confusing.

Since the temporary order (enclosed) was issued there does not appear to be anything on file to change it. The trial on 3444 was to be held June 11, 1958 but there is nothing in the record to indicate it was ever held.

The last document on file was a show cause order for measuring devices. It was issued on a motion by the State Engineer (Wayne Criddle and filed by you).

The main question I have is: what is the status of Paragraph #3?
